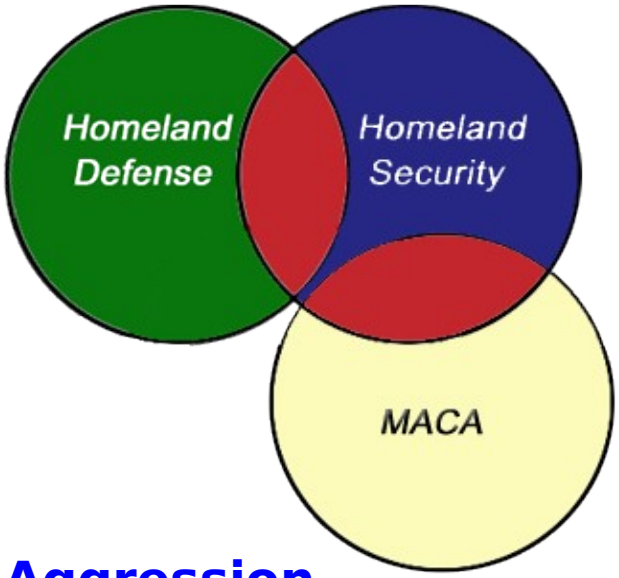
Tactical

Framing the Concepts

National Strategy for Homeland Security (HLS) July 2002

- Prevent Terrorist Attacks
- Reduce Vulnerability to Terrorist Attacks
- Recover Quickly From Terrorist Attacks
- Layered Approach
  - Federal
  - State
  - Local



NORTHCOM Mission

- Deter, Prevent, and Defeat Threats and Aggression Against the US Within the Area Of Responsibility
- Military Assistance to Civil Authorities - When Directed

Homeland Security

NORTHCOM Mission

- **Conduct military operations to – Deter, prevent and defeat threats to the United States, its territories and interests within assigned area of responsibility**

- **Provide military assistance to civil authorities, including consequence management operations**
  - **As directed by the President or Secretary of Defense**

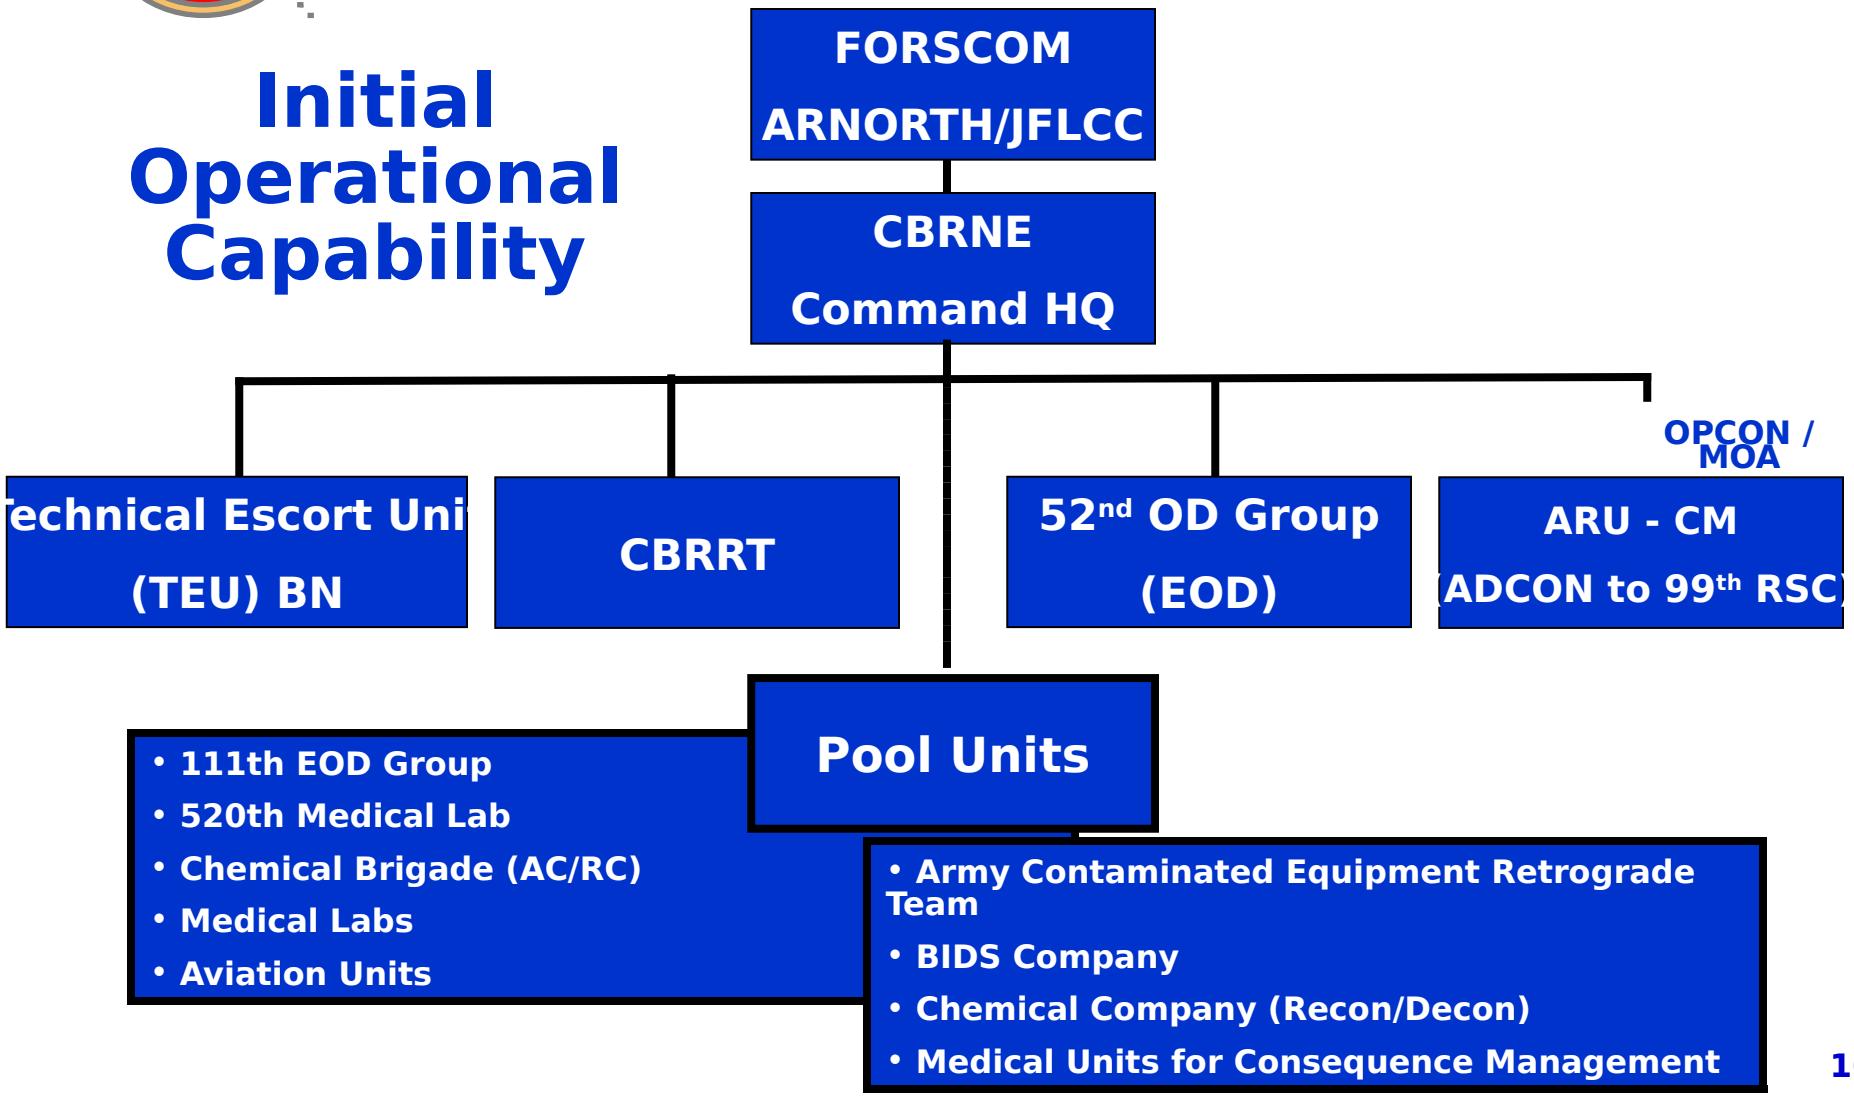
Proposed Guardian/CBRNE Command

Initial Operational Capability



Keys to Success

- Take the fight to the enemy; and Protect the Homeland…
- Leverage existing processes and plans
- Capitalize on Local Capabilities
  - "Pull" vs "Push" based on Lead Federal Agency request
  - Improve support to First Responders….WMD CST, State and Local Forces
  - Domestic Intelligence collection, analysis, and dissemination
  - Close the seam between Intelligence and Law Enforcement
- Increased Interagency participation and coordination
- Joint Planning, Execution, and Training – Adaptability is the Key
- Responsiveness and Appropriateness…planning, training, and preparations… (Local to State to Federal)
